

Winter gate information - 2018 - YG campgrounds & recreation sites

October through May, you may access campgrounds and recreation sites, but they are not serviced. Note that some are gated (highlighted below). Dates are subject to change. Check current status at www.env.yk.ca/camping as Yukon Parks may close sites due to flooding, wildlife danger or road conditions (ex: in spring or after heavy rains).

October through May, the overnight fee is waived for Yukon Residents. You must bring your own toilet paper, firewood, and pack out garbage. Always register each stay.

All sites will be fully serviced May 18 through September 9, with 12 fully serviced May 11th through September 30th (marked with *). Services include firewood, garbage collection and outhouse maintenance.

Updated November 14, 2017
