

CROSS-REFERENCE TO PROJECT WILD

Module 1

Stories from the Family

- What's Wild? p. 2
- Shrinking Habitat p. 289
- First Impressions p. 255

Stories from the First Nations

- Mythical Mystical Monsters p. 115
- Visual Vocabulary p. 161

Through the Images of Poets & Performers

- Stormy Weather p. 22
- Water Wings p. 57
- Wild Words p. 82
- Animal Poetry p. 85
- The Power of the Song p. 272

Through the Perceptions of Artists

- What's Wild? p. 2
- Water Plant Art p. 62
- Museum Search for Wildlife p. 87

Module 2

Animal Mania

- Ants on a Twig p. 9
- Grasshopper Gravity p. 15
- Microtrek Scavenger Hunt p. 20
- Owl Pellets p. 163

Be a Biodiversity Detective

- Interview with a Spider p. 13
- Learning to Look, Looking to See p. 280

Amazing Diversity Down Under

- Eco-Enrichers p. 92
- Water Canaries p. 109
- Micro Odyssey p. 165
- Marsh Munchers p. 172

Biodiversity Means Differences

- Are You Me? p. 64
- Whale of a Tail p. 77
- Good Buddies p. 131
- The Thicket Game p. 137
- Muskox Manoeuvres p. 153
- Fashion a Fish p. 197

Genetic Diversity and Us

- Colour Crazy p.11
- Adaptation Artistry p.139
- Seeing isBelieving or The Eyes Have It! p.142

Module 3

Ecozones of the Yukon

Flag the Feature Flora and Fauna

- Fishy Who's Who p. 195
- Where Have All the Salmon Gone? p. 245

Be a Yukon Tour Guide

- Rainfall and the Forest p. 188
- What Bear Goes Where? p. 122

Yukon Diversity Wordsearch

- Blue Ribbon Niche p. 180

The Aliens Have Arrived!

- Who Lives Here? p. 220
- Planting Animals p. 222

Module 4

Background

- Migration Barriers p. 293

Extinct

- Litter We Know p. 48
- Forest in a Jar p. 133
- Pond Succession p. 135
- Here Today, Gone Tomorrow p. 216

Endangered Species and Spaces

- Habitat Lap Sit p. 28
- Wetland Metaphors p. 168

Memories

- Changing Attitudes p. 257

Good News about Protecting Biodiversity!

- Kelp Help p. 118

Interview a Biodiversity Hero/Heroine

- Wildwork p. 204
- Living Research: Aquatic Heros and Heroines p.360
Aliquis duciam dolupta quisincid quodi con
nihil aut a corum qui corepero cusandu cipiet, si tor
as alit aut quia et eossitam, corem dolupis nonseq-
uis quam seque derrunt perorerorum verfernat a

Module 5

Biome Biography

- Water We Eating? p. 276
- Habitat Rummy p. 38
- How Wet is our Planet? p. 50

If I Could Change Anything...

- Checks and Balances p. 227

The Long Trip South

- Migration Headache p. 237
- Turtle Hurdles p. 363

Global Trees, Global Uses

- Aquatic Roots p. 242
- Lobster in Your Lunch Box p. 252

Earth Summit

- Aquatic Times p. 310
- To Dam or Not to Dam p. 312

Our Voices

- Cartoons and Bumper Stickers p. 268
- Facts and Falsehoods p. 316
- Ethi-Thinking p. 328
- Ethi-Reasoning p. 340
